

## **Introducing Vitality's enhancements to Income Protection Cover**

### **What are the changes?**

Vitality have now introduced the latest enhancements for their Income Protection occupation changes. This means they now offer full Own Occupation Cover for all occupations including manual workers and those within the public sector.

Plus, a further 280 occupations now have access to 1 and 2 month deferred periods and Vitality are also widening cover by extending the expiry age to 70 for a further 22 key occupations such as nurses and teachers. This will open the protection cover to a wider audience allowing more people to take out Income Protection Cover with Vitality.
